

COREY *BRICE WYATT

57 White Plains Dr., Jackson TN 38305 | bricewyatt9@gmail.com | 731-343-1898

OBJECTIVE | To show off all of my experience, work, and skills for the potential employer or party interested in acquiring my services.

SKILLS & ABILITIES

Lifeguard: [My Certification](#)

Automotive work: Changing brakes, oil changes, timing engines, and bleeding brakes.

Coding websites for Dev Catalyst Competition

EXPERIENCE | LIFEGUARD LAMBUTH UNIVERSITY REC CENTER

MAY 2016 - CURRENT

As a lifeguard at Lambuth I watch over the pool and any swimmers swimming. I also check chemicals and temperature in order to maintain a comfortable and safe swimming environment.

EDUCATION | MADISON ACADEMIC MAGNET HIGH SCHOOL, JACKSON, TN

JUNIOR YEAR

3.92 – 18th in my class – By the end of my senior year I will have completed all available math courses and computer courses.

COMMUNICATION | We have worked in teams on the Dev Catalyst Competition both school years, 2015-16 and 2016-17, to make websites for competition. The first year my team's website won. The 2016-17 competition has not yet completed, so we do not know our results. However, our website will be a major competitor.

LEADERSHIP | Since I am the oldest swimmer on my club team, the responsibility falls to me to set a good example. When the coaches need help, it is my duty to step up and help lead the younger swimmers.
